SENATOR ROBERTSON SPEAKER FOR COMMENCEMENT EXERCISES

In announcing the program for finals for the 104th Commencement Exercise at Augusta Military Academy, Gen. Chas. S. Roller, Jr. took particular pride in stating that Sen. A. Willis Robertson would address the graduating class. A.M.A. is particularly fortunate in having this prominent senator to address its 95 graduates, on the morning of June 6th.

Senator Robertson, of Lexington, Va. had served the citizens of Virginia in particular and of the National as a whole since early 30's. He was sent to Washington first as representative in the House of Representatives from the 7th Congressional District, and in 1946 was elected U. S. Senator. It is interesting to note that his name for Senator was placed in nomination at the State Convention by Gen. E. Walton Opie, Publisher and Editor of "The Staunton Leader".

HUTCHESON ACCEPTS

At the same time, publication of the Finals Program revealed that the baccalaureate will be delivered by Commander R. G. Hutcheson, Jr., U. S. Navy Chaplain. Commander Hutcheson is the son of Rev. R. G. Hutcheson, pastor of Staunton Bethany Presbyterian Church. This service will be at the Augusta Stone Church at 11 A.M., Sunday, June 4th.

Other highlights of Commencement weekend are: Senior and Junior Cireronian Literary Societies on Saturday Evening at 7 P. M.; Sponsors' Parade Sunday at 4:30 P.M., followed by a reception for members of the graduating class and patrons given at "Whitehall" by Gen. and Mrs. Roller; competitive drill on Monday; and the Final Ball Monday night in Memorial Gymnasium. The full program for all of the exercises of finals is published elsewhere in this paper.

As this issue of the Bayonet goes to press, every activity of the school year finds itself drawing to a final curtain and Auld Lang Syne All athletic events and schedules for the school year 1960-'61 have been played, academics are in the stage of review for exams, the Military Program has been completed and all units of the Corps are polishing up for the various competitions of Finals, seniors are mailing out invitations to the Commencement Exercises, and all is being readied for those important days, June 2 through June 6th.

Band -- Rifles Represent AMA At Apple Festival

The A.M.A. Band and the Roller Rifles again participated in the annual Winchester Apple Blossom Festival. Along with scores of other marching units, Augusta was well represented in the parade, this feature of which was held on Friday, April 28th. These two organizations had proven themselves in parades at Staunton, Charlottesville, Waynesboro and Alexandria, as well as the non-competitive parade at Harrisonburg on Armistis Day. Having brought first places trophies and prize money from other events, our representatives were disappointed not to do likewise at the Apple Blossom event, but had to be satisfied with a third and a fifth.

Leaving school via bus at nine A.M., course was set for Winchester, a trip of some eighty miles. Cadets took their formal dress along and changed for the parade at one of the elementary schools in the Host City. Lunch was prepared for the entire group by Capt. Peduto and the kitchen staff and was eaten prior to parade formation. A deluge of rain and then hail delayed the start of the parade and cast a general gloom over the gay occasion, but the A.M.A. boys took this in stride, having become accustomed to marching in all kinds of weather.

After the parade, the cadets were given leave until eleven P. M., at which time the buses were loaded for the return trip down the Valley and back to Ft. Defiance. As a partial reward for the hard day and hard trip, all members of both Band Co. and Roller Rifles were allowed to sleep through breakfast formation and until time for classes.

This was the last appearance of these units away from school for the year.

COACH RALPH PLEASED WITH 1st SEASON OF MILITARY LEAGUE

With the ending of the first season of the Military League, the Augusta Military Academy Baseball team has won eight and lost two games to tie with M.M.A. for the League Championship. The A.M.A. 'Nine' lost only to S.M.A. and to Hargrave at the end of the season. Coach 'Bill' Ralph asked that the tie be played off, but since Hargrave declined, the League Officials declared the two teams to be Co-Champions.

CAUSBY STARS

Augusta lacked depth in the pitchers position, and batting averages did not come up to expectations, however behind the stalwart pitching of Cadet Paul Causby, backed up by Blaylock, the Rollerman chalked up a most successful season on the 'Diamond'. Cadet 'Johnny' Hipp was the surprise pitcher of the season, having gone in as relief man on several occasions and proved himself to be the man to watch during the next several seasons.

Summaries of games played since the last publication of the Bayonet follow:

Augusta Nine Win Out Over Fishburne

WAYNESBORO — The Baseball team of Augusta Military Academy defeated the Fishburne Military School team by a score of six to two. The winning pitcher was Paul Causby of AMA; the loser was Dillihay. Bob Hundley was the winning hitter hitting two consecutive triples:

EDITORIALLY SPEAKING

ONE HUNDRED AND FOUR YEARS

As another Academic years is about to be brought to an end, it is a time to look back, and also it is a time to look ahead. Do not be like those people who live in the past, resent the present and fear the future. Rather, look back only with a view of discovering what has passed, that may, because it was good or because it was not good, be of value in setting the course of your future. Past failures may not be total failures if they be viewed as such, and steered away from in the future so that you will not again be a victim of that past failure. It has been said that — “ - - - to err is human - - - ”, but to fall prey to the same errors again and again is just plain stupid. No ships captain would be worth his salt if he was to allow his ship to run aground twice upon the same shoal, no man is worth his salt if he allow himself repeated failures.

Look back again at your successes. Take personable pride in those successes, and finding the cause of those successes, let them be a guiding norm for future repetitions. You have come this far by at least some measure of success, otherwise ninety-five Cadets would not be candidates for graduation, and not one of you would be receiving any credits for the year which is about to end.

For one hundred and four years, Augusta Military Academy has seen hundreds of young boys come to learn, to share the tradition that is A.M.A., to seek their particular nich in this world, and to go on to higher learning and success in their life's work. The proof is in the record. Augusta points with pride to its graduates who have made a name in all fields of endeavor. Men prominent as Doctors, Lawyers, Statesmen, Business Leaders, Ministers, and in the Armed Services are numerous among Augusta Military Academy alumni.

Names which appear in the lists of graduates of the school year 1961 will appear in the years to come upon the same roll of honor as have those graduates of the past. One Hundred and Four Years of teaching and Tradition shall not be in vain.

EDITORS NAMED

It is with pleasure that the BAYONET announces the appointment of Cadets Berliere, and Bob Hume as editors in Chief and Sports Editor respectively for the year 1961-62.

Cadet Berliere has demonstrated ability in writing and in editing that makes it a foregone conclusion that he will do Wilcox, Tackett, Allison, Blaylock, and Baker.

Cadet Hume, many of whose sports articles have graced the pages of the Bayonet all this year will head the Sports Section, and will select a staff of assistants to cover all sports events. Cadet Hume is currently a contributing sports writer for the Staunton News-Leader.

In making these two important appointments, the Bayonet wishes to take this opportunity to express thanks to the many members of the Cadet Corps who have contributed to this year's publications. Among these are: Cadets Klink, Wilcox, Tackett, Allison, Blaylock, Baker and Hudnoll.

We also wish to express appreciation to member of the P.M.S. & T. Office for cooperation in supplying press releases pertaining to the military and to the Rifle Team. We also want to include the Coaches of the various teams who have contributed articles from the Coaches' point of view. Last, but certainly not least, Major Chuck Savedge and the Recall, for photographs and press releaes. Let us not fail to thank Miss Mary Walker for her interest in supplying a great deal of news, programs, schedules, etc. from the 'front office'. A rather major portion of the costs of publication of the paper is made up in advertising; thus credit goes to Cadets Stillwell, and Prince in the business department.

The Bayonet is building for a better and more representative Cadet Newspaper, and expects to achieve its goal in large measure for the 1961-62 school year.

DID YOU KNOW

THAT Cadet Capt. James F. Crawford, Battle Group Commander will lead the Final Ball. He will be escorting — you know who — .

THAT the Valedictorian for this year's grads will be Cadet Capt. and Adjutant Chris Horsey. He was chosen to this post of honor by the Cadet Captains of the entire Corps.

THAT the Gym is already taking on a festive appearance in preparation for the big event of finals — the Final Ball.

THAT the girls of Stuart Hall will be out of school almost a week before A.M.A., but that a large number of the girls will go home only long enough to unpack, repack and head back to Ft. Defiance for the big dance.

THAT the Final Ball would be much less fun if the said Stuart Hall girls were not going to return as soon as they say 'Hi' to the folks at home.

THAT every available Hotel and Motel Court is booked to capacity for Finals.

THAT A.M.A. is getting out five days ahead of our friends at S.M.-A. this year — does that set some sort of presedent

THAT some senior are expecting as much as ten dollar returns on each twenty-five cent investment in invitations sent out. OPTIMIST?

THAT certain Cadets have been spending wakeful nights trying to decide whether to invite the local girl to finals or the steady back home. Which ever decision they make, they will be in the dog house with one of them.

THAT several of the boys have invited both said girls and are wondering how they can manage to keep the two of them apart the whole week-end.

THAT, as an incidental part of the next two weeks, examinations will be given in all classes.

THAT the final issue of the Bayonet to be released on Friday, June 2, will contain the picture highlights of the school year.

Augusta JV's Bow To Middle River

By Bob Hume

The Junior Varsity baseball team bowed out to the varsity team of Middle River at Middle River Wednesday. The winning pitchers were Ted Quatman and John Marlow of AMA; the loser was Meyers for Middle River. The AMA team was leading 3-1 in the top of the fourth when Jim Meller of Middle River hit a home run to bring in four runs including himself. Although the J.V.'s fought hard for the rest of the game, they failed to bring in enough runs to win the game.

A.M.A. JV Team Posts 2-3 Record

By Bob Hume

Looking back over the season, we find the junior varsity baseball team with a 2-3 record.

The team's first game was with Woodberry Forest there, which they won by a score of 11-0. Next they traveled to Wilson Memorial High School in Fishersville to be victorious again winning by a score of 5-3.

Middle River came to A.M.A. next to be the first home game for Augusta and also to be the first defeat for the A.M.A. team. When Wilson Memorial came to A.M.A. they defeated the hosts by a score of 9-4, and the last game of the season, with Middle River, was lost to them by a score of 6-5, the same score of the previous Midle River game.

Coach Allan says that the team has improved greatly since the first of the season, and that Trujillo and Anderson were the two players who improved the most.

The H. M. A.

A.M.A. lost to Hargrave Military Academy Friday by a score of 5-6. The winning pitcher was Chesger; striking out six and walking two men. The loser was Paul Causby of AMA; striking out eight men, and walking five men. AMA is tied with HMA for the league championship, so it was decided to make both teams co-champions in the league, giving each team identical trophies.

23RD PSALM OF A CADET
(Apologies to Col. Wales)
The Commandant is my shepherd; I shall not want.
He maketh me to take hikes over rough pastures.
He leadeth me through much He disturbeth my sleep.
He leadeth me through plenty of roughness for my own sake:
Yea, though I walk through the valley of roughness I will fear
no evil,
For the cadets are with me,
His rifles and packs discomfort me;
He maketh a fool out of me in the presence of my comrades,
He adorneth my head with a garrison cap,
My temper runneth over.
Surely his captain and lieutenants will watch over me all the rest
of the days of my life,
And I will dwell in the 3-story barracks called North for ever.

Pin-Up Dance
Feature Of
Spring Season
MISS CHERYL GRIMES
CROWNED QUEEN
Dancing to the music of the V.P.I. Cadet Band, A.M.A.'s annual Pin-Up Dance has been proclaimed the most successful since its beginning during the bleak days of World War II. The climax of this social affair was the crowning of lovely Miss Cheryl Grimes to rule as "Miss Augusta" until her successor is crowned next year.
Held on Saturday night, April 29th in Memorial Gym, which was decorated in a decor suitable for the occasion, Cadet Capt. Wayne Blaylock, of Hq. Co. lead the figure with Miss Grimes. Also in the figure were the following princesses with their escorts; Miss Edwinna Sink with Cadet David Popovich, Miss Catherine Runnels with Cadet Capt. Jim Crawford, Miss Burnell Pike with Cadet Capt. Clay Wilcox, Miss Ann Dozier with Cadet Capt. Chris Horsey, Miss Kathy Evans with Cadet Mark Houser. Master of Ceremonies for the occasion was Cadet Pugh, representing the Cottilian Club. The beautiful figure ended with Miss Grimes approaching the Queen's Throne through an arch of drawn sabers. She was preceded by Cadet Danny Rufner bearing the crown. As Miss Grimes was seated, flanked by her court, Gen. Chas. S. Roller, Jr. approached the throne and placed upon her head the symbol of her beauty and achievements.
The first dance was reserved for the Queen and her Court, after which dancing was enjoyed by all of the Cadets and their dates and members of the faculty until midnight.
